

OVERVIEW

Mil-Pro Series of hard armor front, back and side plates manufactured by Safe-Pro USA are compliant to NIJ Standard 0101.06 Level IV Plus Stand Alone. Four models of NIJ 0101.06 Level IV Plus Stand Alone Plates are offered in four different weights, starting from 5.9 lbs. to 7.2 lbs. As NIJ Level IV Plus, all models of plates defeat all the bullets specified for NIJ Standard 0101.06 Level IV Stand Alone and for the NIJ Standard 0101.06 Level III Stand Alone. All the models of plates also defeat multiple impacts of at least five additional rifle projectiles, which are listed in detail in this specifications sheet.
